

# 2016 Wood-Using Industry Directory

Primary & Secondary Companies Located in the Grow North Region of Wisconsin

# Forward

The purpose of this directory is to provide contact information and basic specification information for wood-using companies in the eight county Grow North Region. Errors and omissions are regrettable and will be corrected in future editions of this directory. Inclusion in this directory does not constitute an endorsement of the individual or firm, nor is exclusion intended to reflect adversely upon the reputation of any individual or firm. This directory in no way claims to list all possible markets for wood.

Because of changing market conditions and processing technology, the information in this directory should be verified through each company listed in this directory.
